Education ...*

Black Mountain Middle School ~

Students “leave their footprints” at BMMS through their scholarship, participation in sports, clubs, activities, and through their relationships with teachers and classmates. These footprints have traditionally been indelibly burned into the memories of students, parents, and faculty.

Until now, however, there hasn't been a way to leave a permanent reminder of the many fine young students, teachers, and administrators who have graced the halls of BMMS on the campus grounds.

Purchase a Legacy Tile Today!

You might choose to:

- Engrave a child's / student's name
- Inscribe in memory or in honor of someone
- Leave a personalized message
- Include a drawing or signature
- Show your company's support with it's logo

Leave a Lasting Legacy
by including EFBMMS in your estate plans.

Who we are

The Education Foundation at Black Mountain Middle School (EFBMMS) is a dedicated, diverse group of parents and professionals who value and support BMMS students, and are committed to their success as scholars and citizens.

What we do

We raise and distribute supplemental funds directly to Black Mountain Middle School to ensure that vital learning tools and supplies are always available to our students and their teachers. Funds raised from the sale of engraved tiles will help support our school as needs arise. Our overall goal is to benefit each student by the donation of funds for academics, the arts, technology, and facility upgrades.

How it works

Your contributions are distributed directly to BMMS. Our principals and teachers determine where the deepest need is on our campus, and invest your contributions accordingly.
